

Freer Energy & Internet

Siôn Buckler

Found & CEO
Make it Wave Ltd
makeitwave.com

Problem

Energy and Internet: Should be free in our homes.

Existing "Solutions": Solar ROI takes months/ years & Free Data Plans carry hidden costs. No curve jumps in this area.

No Easy Way Exists for a regular consumer to enjoy freer (or free) internet and energy !

Solution:

A Friendly, Affordable, Plug & Play Device:

Safe & Autonomous Home Management

Clip-on Incoming Power,
Connect to Internet

Monetizes Every Connected Device

Huge Energy Savings
Other Earnings Pay ISP

Low/ Zero Utility Bills

Reduced Consumption,
More Energy Produced
& Self Paying Internet
